# CORPORATE SPONSORSHIP

Central Basin Community Concert Association (CBCCA) has provided the community with live concerts and music education since 1954. We are a 501(c)(3) tax deductible, nonprofit organization, run by hard-working volunteers. We are a strong, viable Board that meets monthly throughout the year.

CBCCA has featured Jazz, Classical, Pop, Irish, Celtic, Country, Gospel, Opera and Broadway genres of music in the Columbia Basin. Musicians travel from around the world to our area from countries such as Ireland, Australia, Croatia, Italy, Ukraine, France, Korea and others. The CBCCA Board annually selects artists through Live On Stage and recently has selected one or more regional artists.

The concerts continue to be of the highest quality and variety. We bring outreach education to our schools, music students and teachers. Membership fees and donations received from individuals and businesses fund our concerts and outreach. Additionally, these monies given have allowed us to offer discounted rates for music students and teachers.

**Central Basin Community Concert Association (CBCCA) wishes to make the Central Basin as interesting and as broadly balanced in all areas of its culture by bringing a variety of music to our community.**

CBCCA is a creative friend of the arts. It brings diversity, community cooperation, cultural enhancement, social variety within the culture of our community, employee satisfaction, a cultural enticement to those who are drawn to the Central Basin because of the opportunities for entertainment and community involvement.

# CORPORATE SPONSORSHIP

CBCCA provides Outreach programs in the schools throughout the basin where artists provide mini-concerts in schools, classrooms and opportunities for personal lessons from world recognized musical artists. The artists have introduced and encouraged music students to explore musical professions. Certain artists have invited sections of school ensembles to play with them on stage.

Other students have had the opportunity to work with the artists backstage in setting up for concerts. Live on Stage, our concert association affiliate, has offered scholarships to students pursuing a degree in music. A Moses Lake student was honored with the national scholarship two years in a row, at Central Washington University.

# OFFICERS CONTACT LIST

**Frances Irwin**  
President  
509-750-2074

“I started attending Community Concerts in Post Angeles, WA when I was 8 years old. My piano teacher insisted on her students attending. I was in awe of seeing marvelous artists perform some concerts I never forgot.

It was a joy to move to Moses Lake years later and find that there was a Community Concert Association here and to again enjoy great artists, live, on stage.

I'm proud to serve as president of our organization and lead our board into our future.

What a joy to see children sitting on the edge of their seats as artists share their talent with young students. I'm glad to be a part of bringing a great genre of music, from classical artists to fun programs of great music, humor and audience interaction to our community.

It's a critical part of the entertainment that is available in the Central Basin.”

**Judy Twigg**  
Vice-President  
509-771-1353

“I attended Community Concerts with my music teacher when I was a girl. It is my vision to continue supporting young music students to attend community concerts. Music is the voice of my soul!”

**Carol Eidsvig**  
Treasurer

“Music gets in our soul - it brings a community together - it heals - and most of all it is fun! Without it it leaves a void not easily filled.”

**Carol Bridges**  
Secretary  
509-771-0075

“I am pleased to be a part of an organization that offers high quality music options to enrich the minds and lives of the people in our community. Music brings people together. It is the language the whole world understands.”
